OUR NHS: **NOT SAFE IN REFORM'S HANDS**

THE NHS IS A PROUD LABOUR ACHIEVEMENT.

Founded by a Labour Government, based on a simple principle: care based on need, not ability to pay. Now the Labour Government is focused on rebuilding our NHS after 14 years of the Tories running it down.

Nigel Farage has been clear about where Reform stand: "If you can afford it, you pay".

You can't trust Reform with the NHS.
